

# LESBIAN GAY BISEXUAL ALLIANCE

The Lesbian Gay Bisexual Alliance, located in 362 SU, is an organization dedicated to providing a safe space on campus for all students. During the year we sponsor a variety of activities. This year we held "National Coming Out Week," which included a performance by the Black Triangle Drumming Ensemble and a huge drag show. Second semester we were the host of a conference for lesbian, gay, bisexual and transgender students from all over New York State and Pennsylvania. We also offer peer education called Gender Roles and Sexuality Program (GRASP).
